| <input type="checkbox"/> Nonconcurrence ² | <input type="checkbox"/> Waived ⁴ |

Comments/Reasons for
Nonconcurrence

Additional Information
Needed

Agency:

Title:

Signature:

Date:

¹ Definition of Concurrence - "Written determination by the agency that information to date is adequate for this stage, and the project may proceed to the next stage without modification."

² Definition of Nonconcurrence - "Written determination by the agency that information to date is not adequate for this stage, or the potential adverse impacts of the project are so substantial that permits would probably be denied, or the project should be modified to reduce the impacts."

³ Definition of Concurrence with Comments - "Written determination by the agency that the project can advance to the next stage and comments will be addressed in the next submittal."

⁴ Definition of Waiver - "Written determination by the agency that they voluntarily give up their opportunity to provide comment on that particular concurrence point(s). Agencies which waive agree not to revisit that concurrence point."
